BITCHES

Kennel Club Breeding Restrictions

1. The dam has already whelped four (4) litters (as of the 1st January 2012 the limit changed from six (6) litters to four (4) litters). As of this date the Kennel Club will no longer register any further litters from any bitch which our records show has already whelped four (4) litters. Therefore, for any litter born on or after the 1st January 2012, the system will automatically check to see how many previous litters the Kennel Club has an account of. Where the number previously recorded is four (4) or more, the application will be rejected, or;
2. The dam has already reached the age of eight (8) years at the date of whelping, (relief from this restriction may be considered normally provided an application is made prior to the mating, the proposed dam has previously whelped at least one (1) other registered litter, and the application is supported by veterinary evidence as to the suitability of the bitch involved in the proposed whelping), or;
3. The dam was under one (1) year old at the time of mating, or;
4. The offspring are the result of any mating between father and daughter, mother and son or brother and sister, save in exceptional circumstances or for scientifically proven welfare reasons, or;
5. The dam has already had two (2) litters delivered by caesarean section, save for scientifically proven welfare reasons and this only normally provided the application is made prior to the mating, or;
6. The dam was not resident at a UK address at the date of whelping.
There are further Kennel Club Rules and Regulations that may prevent a litter from being registered; the full Kennel Club Rules and Regulations are contained in the Kennel Club Yearbook.
7. The British Manchester Terrier Club strongly recommends that bitches must not be bred from so as to whelp before she is two (2) years old, and then only if she is considered mature enough to raise a litter.
8. Prior to mating the breeder must know the von Willebrands (vWD) status of their bitch, either Clear by Parentage (see her Kennel Club registration document) or have a Clear or Carrier certificate.
9. Assured Breeders must comply with all the requirements of the Kennel Club scheme.

STUD DOGS

1. Dogs offered at Stud should be fit and healthy, of good temperament and either DNA tested for vWD with a Clear/Carrier result or Clear by parentage.
2. The Stud Dog owner must ensure that the vWD status of the bitch is known – as above.
3. The Stud Dog owner should ensure that the mating is in accordance with the Bitch rules.
4. The Stud Dog owner must ensure that the bitch looks fit and healthy when she visits the dog.
5. After the mating, the Stud Dog owner must supply a Contract and receipt for the stud fee. The Contract should make clear what is to happen in the case of no resulting puppies i.e., repeat mating free of charge or refund of Stud fee etc.
6. The Stud Dog owner must keep accurate Stud records for each dog offered at Stud.

CARE AND MAINTENANCE

1. Take reasonable action to prevent your dogs roaming, from causing a nuisance to neighbours or those carrying out official duties.
2. When dogs are off your property ensure that they wear properly tagged collars (as required by law). Keep them under effective control and obey local bye- laws.
3. Acknowledge responsibility to clean up after your dog at all times.
4. Dogs should not be left unattended for an excessive length of time and not left in cars if there is a possibility of causing distress to the dog.

PUPPIES

1. It is the breeder's responsibility to make every effort to ensure that puppies only go to suitable, responsible homes.
2. All puppies must be in good health, and correctly wormed at time of sale.
3. It is recommended that no puppies should leave the breeder before eight (8) weeks of age, and/or only if fully independent of the mother.
4. If the breeder believes a puppy should not eventually be bred from it MUST be declared at the time of sale and registered with the Kennel Club.
5. No puppies should be sold to countries where they are not protected by anti- cruelty laws and subjected to surgical alterations. If in doubt consult the Ministry of Agriculture, or the Kennel Club.
6. The breeder should impress on buyers that they should first contact them in the event of any non-veterinary problem with the puppy. Breeders should make every reasonable effort to be of assistance in these circumstances.
7. All puppies must be DNA tested for vWD if they have a Carrier or unknown status parent. In purchasing a test kit from the British Manchester Terrier Club you are agreeing to the results being passed to the Kennel Club for inclusion on their lists be they Clear/Carrier/ or Affected.

- The BMTC logos must not be used without prior written authorisation from the BMTC Committee.

What The British Manchester Terrier Club will not accept on its Website or Official Facebook page, but not limited to:

- Posting of any content that could be considered disparaging, embarrassing, obscene, defamatory, threatening, harassing, discriminatory, libellous or hateful to another person or entity, including, but not limited to, BMTC officials, members, volunteers, and invitees e.g., stewards, judges, & patrons.

Removal of material from any Social Media site

- When requested by the Committee of BMTC, no removal of any posting immediately following the request will be considered to be a breach of this Policy. **You are responsible for what you post since it is a public medium**
- **Be mindful:** Any comments made or images, videos and photographs posted on social media platforms, irrespective of privacy settings are public remarks and can be shared, copied and distributed to a wider audience than may have been originally intended and therefore become publicly published views. There is no such thing as a 'private' social media site, even if you delete a post.
- **Consider:** If the content of the message would not be acceptable for face-to-face conversation then it is not acceptable for a social networking site.

Breaches of the Policy

Any complaints about breaches of this Policy will be dealt with seriously, confidentially and expediently by the BMTC Committee. Action that may be taken includes, but is not limited to, issuing a formal warning, withdrawal of membership from BMTC, information being provided to affiliate bodies i.e., Kennel Club and/or to the Police.

Breach of these provisions may result in expulsion from club membership, and/or disciplinary action by the Kennel Club and/or reporting to the relevant authorities for legal action, as appropriate.
